SIR,

Subject : Sanction for purchase of 500 tons of cement from Mysore Iron and Steel Works, Bhadravati.

IGB. 37. 54-55

Adverting to Government Order No.L.9494-6/I.T.B.37-54-23 dated 4-11-1954 according sanction for purchase of 500 tons of cement from Mysore Iron and Steel Works, Bhadravati, I write to state that the construction works of the subsidised labour tenements at Kesare as also various underground drainage works undertaken by the Board and also construction of model houses in other parts of the City consumed large quantities of cement. Against the Government sanction obtained above, the bills of firm as per enclosed statement have been admitted and the quantity sanctioned as above has been purchased in full.

At present, Trust Board has undertaken construction of further set of model houses in Adipampa Road as also other improvement works in new layouts for which large quantities of cement is further required. I therefore request you kindly to obtain sanction of Government for purchase of a further quantity of 500 tons of cement from Mysore Iron and Steel Works, Bahdravati.

It is proposed to draw the above quantity from Mysore Iron & Steel works, Bhadravati, as and when required for works under permit obtained by the Controller of Civil supplies and Chief Cement Rationing Authority in Mysore, Bangalore. As the material is required urgently, I request the favour of early communication of orders of Government in the matter.

Yours faithfully,

S. Linganna.
Chairman. 29/12
